

**IMPORTANT WARNING -  
PLEASE READ BEFORE USING COVER!**

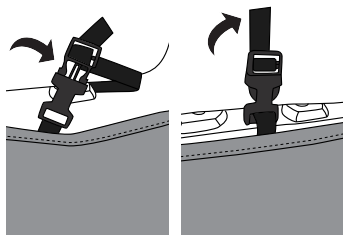

Do not install this product in a manner that will interfere with any vehicle occupant safety systems. This product is not designed to restrain pets, occupants, or cargo in the event of a collision.

**SEAT PROTECTOR INSTALLATION****STEP 1**

Fold the seat protector in half horizontally on the seat so that the anchor pillows face the fold of the seat.

**STEP 2**

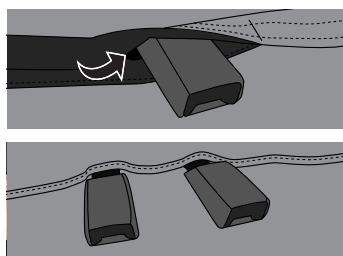

Push the anchor pillows into the fold of the seat so that they are completely through to the back side.

**STEP 3**

Raise the seatback portion of the seat protector up so that it covers the seatback and attach the buckles around the headrest posts. Pull the straps to tighten.

**STEP 4**

Attach the hook-and-loop straps around the headrest posts.

**STEP 5**

Separate the hook-and-loop openings at the fold of the protector to access seatbelt receptacles.

**CLEANING INSTRUCTIONS:**

1. Using a large commercial washer without agitator, wash the cover using 1/4 cup of a gentle detergent\*, without bleach, in cold water. Do not pour detergent directly onto the cover.
2. Rinse the cover twice (2x) to remove all the detergent.
3. Hang and allow to air dry.

**SPOT-CLEANING INSTRUCTIONS:**

1. Mix one ounce of a gentle detergent\*, without bleach, per quart of warm water.
2. Spray or sponge onto cover.
3. Rinse with plain water (until no suds) and allow to air dry.

**\*NOTE:** Do NOT use any detergent with fabric softeners in it. Fabric softeners will cause the water repellency to not work properly.

If you encounter any problems during the installation of your seatback organizer, please contact our customer service department: Monday-Friday, 9AM-7PM (EST) at **800-274-7006** or by e-mail at **sales@covercraft.com**. You may also access help videos on the web at **covercraft.com**.
